Sir,

Town Planning - Mangalore Municipality - Railway road and Nandigudda Town Planning scheme - West - Notification of under section 12 of the T.P.Act 1920 -- requested.

Ref. Government Memo No.42249/H5/54-3, dated 14-7-1954.

The Joint Director of Town Planning, Madras, during his last inspection of the town has found that the then Railway road and Nandigudda road town planning scheme is too expansive as it comprises a very large area in which certain developments by Railway as well as Govt.buildings have already come into existence and recommended that the entire scheme may be renotified after excluding certain portions thereof and splitting it up suitably into four smaller units as indicated by him in the tracing plan. It has been suggested that the curtailment of the area of each individual scheme would enable closer study of each scheme area to be made and provide for its fuller developments and also to facilitate easy preparation and execution of the scheme taken individually. Accordingly, the old Railway road and Nandigudda road town planning scheme which has become defunct on 31-3-1954 has been split up into four smaller schemes.

2 I am submitting herewith the proposal for the notification of Railway road and Nandigudda Road West Town Planning scheme one of the four divided scheme proposals. For each of the other schemes separate proposals are submitted. The Municipal council in its resolution No.2087 dated the 11th Decr.54 has approved the proposals. Where there are no permanent land marks, such as roads, drains, lanes, etc. S.Nos have been mentioned for this descriptions of the scheme boundaries and care is taken to avoid the inclusion

of S.Nos in the notifications suggested hereunder -

(2) Map No.1 showing the boundaries of thescheme is enclosed in duplicate.

The original Nandigudda and Railway road town planning scheme which was notified in G.O.Mis No. 1737 P.H., dated the 11th July 1929 as per notification in the Fort St. George Gazette dated 16-7-1929 may please be revoked I request that the Government may be pleased to notify the Railway road and Nandigudda West Town Planning scheme under section 12 of the Madras Town Planning Act, and grant the council time till 31- 3- 1957 for its preparation, publication and submission to the Government. If it has been sanctioned, the notification can be revoked only after previous publication under sec. 15 (2) of the Act. Note for circulation

The Railway Road and Nandigudda Road Town Planning Scheme of the Mangalore Municipality was notified in 1929 under section 12 of the Madras Town Planning Act, 1920. This scheme is found to be very expensive as it covers a large area and it is therefore now proposed to split this scheme into four smaller schemes. The Municipal Council, Mangalore, and the D.T.P. have submitted proposals for revoking the old notification and for notifying afresh the four smaller schemes under section 12 of the M.T.P. Act, 1920. The proposal in this file is to notify one of these four schemes, namely, the Railway Road and Nandigudda Road West T.P. Scheme. The draft order as below, which has been scrutinised by Law, may issue after approval by M(H) and M(L.A.)
